- After logging in, your results will be transferred into the **Last Imported** folder. Records can be selected and placed into folders.

The screenshot displays the RefWorks BETA web interface. At the top, the navigation menu includes 'References', 'View', 'Search', 'Bibliography', 'Tools', and 'Help'. A search bar is located on the right with the text 'Search your RefWorks database' and a 'GO' button. Below the navigation, there are buttons for 'New Folder', 'Create Bibliography', and 'New Reference', along with a link for 'Additional Information'. The main content area shows the 'References > Last Imported' folder. A toolbar at the top of the record list includes 'References to Use' (Selected, Page, All in List), 'Folders', 'Share', 'Sort by', and 'Change View'. The record list has columns for 'Select', 'Record', and 'Actions'. Two records are visible, both marked with a red arrow pointing to their 'Ref ID' (653 and 654). Each record includes fields for 'Ref ID', 'Book Title', 'Authors', and 'Source', along with a 'Get It!' button and the 'ualberta' logo. A sidebar on the right contains sections for 'Quick Access', 'Resources', and 'Announcements'.
